

# Networking Resources

!

This thread has been locked. Questions are automatically locked after two months of inactivity, or sooner if deemed necessary by a moderator.

Recommended resources for Networking:

- [Networking Overview](#) document — Despite the fact that this is in the archive, it still contains a lot of useful content.
- [URL Loading System](#) article —

2.7k

NSURLSession

is the recommended API for HTTP[S] on Apple platforms.

- [Network](#) framework documentation — Network framework is the recommended API for TCP and UDP on Apple platforms.
- [Choosing a Network Debugging Tool](#) article — Apple platforms support lots of different network debugging tools, and this article will help you decide which tool works best for you.
- [Core OS > Networking pinned posts](#)

Network
